REPUBLICANS GET INVITATIONS TO OHIO CEREMONIES

All Men Whose Names Were Placed in Nomination at Chicago Will Be Guests.

HANDING AGAIN SECURED

Friends of Nominee Say Farmer and Laborer Will Probably Get Special Attention in Speech; Acceptance Address Will Be the Party Keynote.

NEW YORK, July 16.—All Republicans whose names were placed in nomination for the Presidency at the Chicago convention have been invited to attend the Harding dedication ceremonies at Marion, O., next week as guests of honor. It was announced here today at Republican National headquarters.

Invitations have also been telegraphed to the six former Republican National chairmen, who will constitute a committee to assist in receiving distinguished visitors at the ceremonies. Former contenders for the Republican presidential nomination who have been invited to Marion are Major General Wood, Governor Lowman, Herbert Hoover, Senator Brian, John M. Peck, Senator Howard, Senator Robert M. La Follette and Lewis M. Parsons, Governor Sprout of Pennsylvania, Judge J. C. Pritchard, Nicholas Murray Butler, Governor Allen of Kansas, Senator Adams and Henry W. Anderson.

WILKINSON, O., July 16.—Senator Harding kept hard at work today on his speech accepting the Republican nomination for President. Although the address is not to be delivered until next Thursday at the formal dedication ceremonies here, he kept his fingers busy at a typewriter and devoted virtually all of his time to the manuscript in the hope of completing it by tomorrow night.

As an interpretation of the Chicago platform the acceptance speech is expected to be the real keynote of the Republican campaign. Harding, care being taken by the candidate there to make certain that it touches comprehensively on all of the important issues and lays a broad basis for the party's fight for popular support. In his declaration yesterday regarding the new Farmer-Labor party some of the senator's friends saw an indication that the Republican attitude towards the farmer and the laborer would come for particular attention in the dedication day speech. The candidate himself has revealed none of his intentions regarding the speech but he expressed confidence yesterday that the Republican platform would be found progressive enough to command the support of both the farming and laboring classes.

ILAY FORM NEW PARTY

Such Action Being Considered by Members of Committee of 48.

CHICAGO, July 16.—Formation of another new party was considered here this morning by members of the Committee of 48 who dissented from the decision of their convention which adjourned last night without naming a national ticket.

One of the points of disagreement between the groups meeting this morning and the line of action adopted by the convention yesterday was the refusal of the convention to endorse or endorse the new Farmer-Labor party. This morning's conference marked the third bolt of the work.

AMERICAN KILLED

GERMAN DELEGATES ASK EXPLANATION OF ALLIES' NOTE

Make Announcement Before Entering Into Conference With English Ministers.

SPA, July 16.—The German delegates at the conference here have agreed in principle with the terms submitted to them by the Allies as to Germany's deliveries of coal, but will ask for the explanation of certain articles in the Allied note. They made this announcement just before entering into conference with the Allied ministers this afternoon.

SPA, July 16.—The German delegation at the conference here sent word to the Supreme Council this morning that the German reply to the Allied ultimatum on coal deliveries would not be ready until 4 o'clock this afternoon. The Germans are expected to ask modification of the terms of the protocol.

ROOSEVELT AT DESK

Vice Presidential Aspirant of Democrats Returns to Washington.

WASHINGTON, July 16.—Franklin D. Roosevelt, assistant secretary of the Navy and Democratic vice presidential nominee, arrived in Washington today from his home in New York. He went direct to his office at the Navy Department and immediately set to work to clear his desk of the mass of letters and details that had accumulated during his absence at the San Francisco convention.

The four-star red, white flag of the secretary of the navy was displayed at the department in Roosevelt's honor.

Roosevelt will attend the conference Sunday with President Wilson and Governor Cox at the White House and will return to Dayton with the governor Sunday night for a meeting with the Democratic national committee Monday and Tuesday.

KILLED WITH SHOTGUN

Man Identified as Alfredo Graziano Found in Dying Condition.

NEW YORK, July 16.—A man identified as Alfredo Graziano was found with gunshot wounds in his body here early today, died as he was being rushed to a hospital for treatment. Miss Kitty Flynn, who took the man to a hospital in her limousine told the police she had found him in a dying condition and had him placed in her car by her chauffeur and an Italian. After the man was taken to the hospital a revolver was found in Miss Flynn's automobile and she and her two companions were held by the police.

After an autopsy deputy medical examiner, Dr. Schwartz said five shots from a shotgun had entered Graziano's body through the back.

MINERS ON STRIKE

Six Thousand Walk Out in Eastern Part of State.

SCRANTON, July 16.—All of the mines of the Pennsylvania Coal company located between Old Forge, near here, and Plainsville, south of Pittston, were closed today by a strike. The 6,000 men employed demand that the administration of the company be turned over to the miners' union. The strikers held a meeting in Pittston today and declared they will not return to work until the company accedes to their demands.

RESOLUTE BEING REPAIRED FOR SECOND CONTEST WITH BRITISH SLOOP SATURDAY

SANDY HOOK, July 16.—Repairs on the cup sloop Resolute, whose throat halyards parted in yesterday's race when victor over the Shamrock IV, seemed well in hand proceeded rapidly today and there was every prospect that the defender would be in readiness for another stout in the Americas cup match of July 16 tomorrow.

SANDY HOOK, N. J., July 16.—Great Britain gained her first too-hold in 48 years on the American's cup yesterday when Sir Thomas Lipton's challenger, Shamrock IV, won the first race of the 1920 regatta after the defender, Resolute, had been forced out of the running by an accident to her rigging. The green challenger must win two more races out of a possible maximum of four if she is to achieve Sir Lipton's dream of taking the bottomless pewter trophy back to Britain. Resolute must win three out of four to retain the cup which has been in possession of the New York Yacht club

FEDERAL INSPECTION OF COMPANY D TO TAKE PLACE S. P. M. TOMORROW

NEW TRIAL ORDERED IN CASE OF PRODUCERS COKE CO. VS. HOOVER

Supreme Court Holds That Proof of Oral Modification of Contract Is a Proper Defense.

The State Supreme Court has rendered a decision granting a new trial in the case of the Producers Coke company against James H. Hoover, following an appeal from a verdict of \$150,838.38 given by a jury in the court of common pleas of Allegheny county. The case is considered important not only because of the amount of money involved but also because of the legal principle and circumstances of the case. On November 17, 1917, the parties to the suit entered into a written contract involving 38,000 tons of coke to be delivered by Mr. Hoover to the Producers Coke company at \$3.55 per ton at the rate of 1,000 tons per month. Deliveries were made for seven months amounting to 1,335 tons when they ceased, according to the evidence in the case. In the interim there had been a sharp advance in the price of coke and the Producers Coke company entered suit for the difference between the contract price and the market price.

The defense claimed an oral modification of the contract but at the trial, counsel for the Producers (the coke company) objected to the admission of such a defense on the ground that modification was not in writing. No other defense being interposed, Justice Walling stated in his opinion, the court below practically instructed the jury to find for the plaintiff when sustaining an objection to the offer by the defense of proving an oral modification of the written contract between the parties. The opinion of the Supreme Court, written by Justice Walling, is confined to a discussion of the lower court's ruling on that point holding that "it is a general rule at common law that the parties to a written agreement may modify it by subsequent oral agreement." The opinion, however, continued that "the burden, of course, was upon the defendant to prove by evidence convincing to the jury the alleged oral contract."

An order was issued directing a retrial of the case before a jury.

TO OCCUPY VILNA

Polish Agree to Surrender of Town to Lithuanians.

WARSAW, July 16.—Polish government authorities have agreed with the Lithuanians for the occupation of Vilna by a Lithuanian troops and this step will soon be taken according to information received in military quarters.

The surrender of Vilna to the Lithuanians was conceded by the Soviet government of Russia some time ago in negotiations between the two countries.

Commission Warns Railroads. Washington, July 16.—Railroads of the country were warned today by the Interstate Commerce Commission to refrain from confiscating coal consigned to government departments, to common carriers and to other public utilities. No indication of what action would be taken to put an end to the practice was given by the commission.

LOCAL PEOPLE TAKE FLIGHTS WITH AVIATOR

Captain W. L. G. Smith Brings Plane Here From McKeesport For Two Weeks.

DOES THRILLING STUNTS

Usual Acrobatics Known To All Army Aviators Are On His Program; More Flights Will Be Made This Afternoon. Plane Carries Two Passenger.

Captain W. L. G. Smith, aviator who gave the spectacular flights among the clouds above Connellsville yesterday will take off again this afternoon and repeat many of his thrills. Captain Smith has already booked flights for the next several days and he is receiving applications for flights to be taken at various times during his stay here. His headquarters have been established at the Smith House and anyone wishing a jump in the clouds may make arrangements by calling there. The price for straight flying is \$15 for 15 minutes with an extra charge for acrobatic stunts.

Mart Pickard of this place was his first passenger yesterday and Mart was so enthusiastic over his trip that he intends going up several times again. He says it sure makes one feel young again to get up among the birds and fly with them. Mart insisted that Captain Smith loop-the-loop with him in the plane and Captain Smith complying with his wishes did, in fact, be added a tall spin, an Immersion and a "slide" besides. Many people seeing a plane go through such antics for the first time above Connellsville held their breath and marveled at the smoothness of it all.

Two other passengers were taken up and the captain finished the evening by taking his wife up with him. She is also a flyer.

K. K. Kramer of Isabella road was a passenger with Captain Smith on two different trips at Fairmont, W. Va. Mr. Kramer says that Smith is a very competent and careful pilot. He intends to make a trip in the plane here also. The plane carries two passengers on the top.

Cornel Santmyer, clerk at the Smith House, will be a passenger in the plane this afternoon, if weather conditions permit.

The plane arrived here yesterday afternoon from McKeesport with George G. Cochran, Jr., as a passenger. Before alighting on the field near Trotter Captain Smith went through his acrobatics. He will be in the city for some time, which will give everyone who so desires, opportunity to fly.

FLIGHT RESUMED

Plane's Prepare to Leave Erie on Way to Alaska.

ERIE, July 16.—The three army airplanes which arrived here last night in their flight from Minneapolis, on their flight to Alaska were being tuned up this afternoon, preparatory to resuming their journey later in the day. Their next stop will be Grand Rapids, Mich.

The planes here are Numbers 2, 3 and 4. No. 1 having been compelled to land at Scranton from which place, according to information received by the aviators here, it would resume its journey today. Officers and men said their planes were in good condition and Grand Rapids would be reached on time.

Cox Meets Suffragists.

COLUMBUS, O., July 16.—Governor Cox, Democratic presidential nominee, today met a delegation from the national woman's party headed by Miss Alice Paul, which urged upon him the desirability of having him use his influence to have the state of Tennessee ratify the federal suffrage amendment in time for women to vote at the November election.

SOUTH SIDE RESIDENTS PLAN ACTION AGAINST SUNDAY COAL HAULERS

Persons residing in South Pittsburgh street and Cedar avenue are very much provoked that the quiet of Sunday is being broken by the rumble of heavy coal trucks past their homes. Seeing no necessity for this activity on this day they are commencing, among themselves with a view to taking steps that will put a stop to the practice. Just what form their protest will take has not been decided, but it is certain the aggrieved citizens will give expression to their very pronounced disapproval of this form of Sunday labor.

NO FURTHER SPREAD OF SMALLPOX; EXTRA VACCINE IS ORDERED

Supply of Local Druggists Runs Low When Demand For Preventive Increases.

There have been no new developments in the smallpox situation in the city. With every precaution taken to prevent its spread health authorities have confined the malady to the four cases at the Baltimore & Ohio Y. M. C. A. building.

The case of May Brooks of Oakbrook, reported to the township health authorities yesterday, was inspected by a physician. The girl, having been vaccinated but the doctor stated she was not a victim of the disease.

Two of the patients at the Y. M. C. A., S. M. Griffiths and L. W. Brown, are not confined to beds. They have the freedom of the building and declare they feel "perfectly well." The confinement is likewise to them, however.

The other two men, M. C. Kern of Wheeler, and Frank Craig, the colorist janitor, are in their beds and sick.

Druggists report a heavy sale of vaccine, necessitating immediate extra orders of the preventive. With several cases, diagnosed as smallpox, many people safeguarded themselves against such illness by vaccination.

COMPENSATION DENIED

In Case of Minny Drowned While Crossing River to Take Examination.

The decision of the Compensation Board and the court of Fayette county denying claim for compensation for Lucy Williams, who sought to recover from the B. C. Frick Coke company for the death of her husband, has been affirmed by the State Supreme Court.

The man was drowned December 21, 1917, in the Monongahela river when he stepped from the ice into the current. The claim for compensation was made on the ground that the man at the time was crossing the river for the purpose of a physical examination by the company's physician.

APPEAL DISMISSED

In Action of James Veech vs. Trustee of His Mother's Estate.

The State Superior Court has handed down a decision dismissing the appeal of James Veech against the Citizens Title & Trust company of Uniontown, trustee of his mother's estate.

The action grew out of the sale by the trustee of 13 shares of the common stock of the Standard Oil company of New Jersey and the purchase of another series of shares of equal value. The stock was held in trust, the income therefrom being paid to Mr. Veech, who contended the right of the bank to sell the securities.

HOLLIDAYSBURG, Pa., July 16.—One hundred and twenty cases of whisky valued at \$15,000 were confiscated together with a motor truck, by the state constabulary on the state highway near Clayburg, this county, last night. The liquor was being shipped east by a Pittsburgh liquor firm.

PLAYGROUND IS BEING ENJOYED TO FULLEST EXTENT BY CHILDREN

Many girls under the care of Miss Frances Cochran, supervisor of the girls at the public playground left this morning for an all-day bike to Half Way Springs, near Yates Hollow. The girls were promised the bike last week if rain did not interfere and they were on hand bright and early for their promised day's outing. The bike today will be a short one and later on longer journeys will be taken into the woods. This is thought to be a good form of exercise by the playground authorities, as it also gets the kiddies close to nature.

Dewey Miller yesterday took a large group of boys to the beach at South Connellsville where they frolicked about in the water for an afternoon full of fun.

Baseball teams were organized today and a game will be held the latter part of the week. The baseball equipment is being sent extensively by the boys, and the girls too, have a great fun in passing the volley ball

SCOUTS CAMP THIS YEAR WILL BE THE BIGGEST EVER HELD

It is Expected That at Least 100 Youths Will Take Advantage of Opportunity.

What will probably be the biggest Boy Scout camp in the history of scouting in this city will be the agitation preparing to go in August. The outing is a little later this year but the interest of the boys has not waned.

Scout Executive Richardson has taken hold of his work and is devoting much time to the camp plans. He will be practically in full charge there. There will probably be a minimum of 100 scouts in the camp at one time during the outing, which may last throughout the month.

All scout equipment, purchased last year, is still in good condition and all plans are submitted to the local Council of scouts before any definite steps are taken. Executive Richardson is being assisted by Scout Commissioner R. C. Witt and scoutmaster of the various troops. In the camp Richardson will have scoutmasters and assistant scoutmasters to help him in the management of the place. Executive Richardson, Commissioner Witt and E. L. Folk will go to Rogers Mills tomorrow to investigate the possibilities of using the grounds there. They will report at the meeting of all scout officials in the Cameron school on Monday.

The officials have suggested that boys intending to join the scouts should do so now. There are some vacancies in the troops and immediate enrollment would make it possible to go to the camp.

At Monday's meeting the scoutmasters hope to complete arrangements for the baseball game with the members of the local council.

CLERKS MAY STRIKE

Grand President of Brotherhood in Chicago for Conference.

CHICAGO, July 16.—E. H. Fitzgerald, grand president of the Brotherhood of Railway Clerks, arrived here today for a conference with executives of the 16 recognized railroad organizations. On Monday he will confer with 200 general chairmen of the clerks' brotherhood. At a mass meeting Monday night plans will be perfected for the immediate calling of a strike if the award of the United States Labor Board now in session here is not satisfactory. It was said. An announcement of the railway wage awards published in Chicago today is incorrect, according to E. W. Hanger, a member of the United States Railway Labor Board.

"Official announcement of the wage awards," said Hanger, "will undoubtedly be made next Tuesday between 11 and 12 o'clock in the morning. The report carried in today's newspapers is substantially incorrect, unauthorized and will tend to do more harm than good."

Charles Stauffer, night clerk at the local postoffice, is away on a 10 day vacation. Donald Kurtz is filling his position.

ROSTER OF MEDICAL DETACHMENT WILL BE COMPLETE BY NIGHT

Few Vacancies Will Be Filled Today, Major R. S. McKee, Commanding Officer, Says.

APPLY FOR INSPECTION

May be Next Tuesday or Wednesday Although No Definite Date Has Been Set; Unit Will Go to Camp in August With Remainder of Regiment.

Additions to the Medical Detachment of the Tenth Regiment, National Guard of Pennsylvania, yesterday assured the full enrollment of the detachment by tonight. This is the last day for enlistments in the unit.

Major R. S. McKee this morning said he still needed a few men to complete the roster of 21 but he would have them by tonight. The men are being examined as they apply for a place in the detachment and as soon as the physical test is successfully passed, the applicants are signed up. In addition to the 21 enlisted men there are four officers.

Major McKee has made application for inspection on Tuesday or Wednesday of next week. He has not yet received any word regarding a date, however. The inspection will be soon. It is known. The detachment will go to camp with the other units of the Tenth in August.

BUYS PARK EQUIPMENT

Manager Bert Miller Making Shady Grove More Attractive.

Bert Miller, manager of Shady Grove park, has purchased the equipment of Wheeling Park, Wheeling, W. Va., and is having it shipped here immediately. He expects to have several new attractions operating at Shady Grove by the first of August. Some of the equipment, however, will not be used until next season.

Among the equipment bought is a large steel circle swing. It is 70 feet high and has six seats. A big merry-go-round, one of the late up-to-date models, will supplant the small temporary one now in use. The organ has been sold to the factory to be refitted.

A fun house will be included in the equipment to arrive here for immediate use. Two hundred park benches will not be available until next summer. J. A. Kirschner, for 14 years the ground keeper at Wheeling park, has been engaged to work at Shady Grove next year.

Manager Miller has also bought material for a winter garden at the park during the cold months. He contemplates removing the orchestra pit which will give 15,000 square feet of floor space. A sun of 1500 will be expended in interior decorations.

NEAR GUN DUEL

Negro Pulls Revolver on Turner But Officer Uses Own Weapon.

An exciting pistol duel came near being enacted last night in the store of Jesse Cypher on Pittsburg street between a negro and Patrolman D. H. Turner of the police force.

Turner noticed the two negroes buying cartridges in the store and he decided to keep an eye on them. When they came out of the store he demanded to know if they were carrying arms. While he was speaking to the one negro the other drew back into the store, Turner pursuing him. The negro seeing that he was cornered pulled a gun from his pocket but not before Turner had already drawn his revolver and had it leveled at the fellow, demanding him to throw away his gun.

He was taken to the city jail where Constable Roulter made information against him for carrying concealed weapons.

CABLE STOPS PLUNGE
 Wheels of Auto Catch on Thin Wire as It Starts Over Embankment.

PITTSBURGH, July 15.—Caroming to the edge of a precipice along Bigelow boulevard after a collision, an automobile containing a man and his wife was held up and from the air shortly before dusk last night. Only a thin cable in which the rear wheels of the machine had become entangled prevented its destruction and the death of its occupants on the Pennsylvania tracks, 150 feet beneath.

The accident occurred after Paul Woods 37 years old, a negro awarded his car to the middle of the boulevard to pass another machine. It collided with an automobile driven by Dr. M. N. Dobson of the Parkview hospital. The machine driven by the negro skidded from the collision and made a headlong dash to the edge of the boulevard where it became entangled in the cable. Both autos had their wings to occupants of their cars and all four sustained lacerations and bruises.

DEMOCRATS WANT MOORE

Pressure Being Brought to Bear To Have Him Lead Party.

COLUMBUS, O., July 15.—Pressure is being used by political friends of Governor Cox on E. H. Moore, the governor's pre-convention campaign manager, to have him accept the chairmanship of the Democratic National

committee and assume active management of the national campaign.

Former Congressman George H. White of Marietta, O., returning from the San Francisco convention where he worked with Moore in the governor's behalf, breakfasted with Cox this morning. White said he tried to impress upon the presidential nominee the necessity for having Moore manage the campaign and urged him to use his influence in an attempt to

dissuade Moore from adhering to his desire to step aside for some other person. White will accompany Governor Cox to Washington Friday evening for the conference Sunday with President Wilson.

CULLING DEMONSTRATION

Poultry Keepers Will Be Taught the Work by Specialist.

Realizing the importance of culling the poultry flock, the Fayette County Fair Bureau has planned a county-wide campaign to have poultry keepers to sell the poor, low-producing hens and keep only the hens that will return a profit. Demonstrations will

be given according to the following schedule:

July 16, 10 A. M., O. P. Higbee farm, near Dawson.

July 16, 2 P. M., J. L. Snyder, near Conneltsville.

July 17, 10 A. M., Stevenson McGraw greenhouse, Morgantown road.

July 17, 2 P. M., J. W. DeBolt, Madsontown.

Every one attending will be given an opportunity to handle the birds

and thus get an actual experience in culling poultry. In culling culling, the best results are obtained when the farmers actually handle the birds under the direction of a poultry specialist. All those attending the meetings should come prepared to handle them.

Referees Get Increase. New Jersey boxing referees will be paid \$50 for their work at various places and \$30 by the smaller organizations.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sul-
phur and Nobody Will
Know.

Gray hair, however handsome, de-
notes advancing age. We all know the
advantages of a youthful appearance.
Your hair is your charm. It makes or
mars the face. When it fades, turns
gray and looks streaked, just a few
applications of Sage Tea and Sulphur
enhances the appearance a hundred-
fold.

Don't stay gray! Look young! Either
prepare the recipe at home or get
from any drug store a bottle of "Wys-
eth's Sage and Sulphur Compound,"
which is merely the old-time recipe
improved by the addition of other in-
gredients. Thousands of folks recom-
mend this ready-to-use preparation,
because it darkens the hair beautif-
fully; besides, no one can possibly tell, as
it darkens so naturally and evenly.
You moisten a sponge or soft brush
with it, drawing this through the hair,
taking one small strand at a time. By
morning the gray hair disappears;
after another application or two, its
natural color is restored and it be-
comes thick, glossy and lustrous, and
you appear years younger.—Adv.

PASTORS OF FOUR STATES UNITED IN THEIR PRAISE

Four Ministers, Though from Differ-
ent Parts of the Country, Have the
Same Attitude With Regard to Nerv-
Worth. They Write Letters Recom-
mending It, and These Letters Offer
Indisputable Evidence.

Nerv-Worth gives real results and is
a real medicine. It does not act as a
mere stimulant, nor does it produce
artificial stimulation, to produce results.
The ministers whose letters are re-
produced below have tested Nerv-
Worth, and found that it is really a
preparation of highest merit, and be-
cause they know that it gives results,
and has real medicinal value, they
recommend it to others. Nothing
could be more convincing than a
group of statements from gentlemen
of the cloth. Read what they say:

Rev. Mr. Tate, Foxdale Ave., Dayton,
Ohio.

"For five years I was in a very
nervous condition," said Rev. Tate. "I
couldn't find any relief, it seemed, un-
til I took a bottle of Nerv-Worth. I
didn't have any nerve force to digest
my food, and could eat only a few things.
I was advised by my doctors not to
eat any cold lunches. Gas would form
on my stomach, and cause terrible
bloating. My blood was also in very
bad condition, and my circulation
poor. My legs would get cold and
numb, and my hands would also get
numb. I am now nervous no
more. I can eat anything, any
time, my stomach and digestion are in
fine condition. I have no more bloat-
ing, my circulation is good, and there
is no numbness and cold feeling in my
legs or hands. I am feeling fine, and
have regained my health and vigor.
Nerv-Worth changed everything."

Rev. Mr. Haddock, Meadville, Pa.
"I was in a terribly run-down con-
dition, had no appetite, and couldn't
sleep. I was very nervous, and my
stomach was bad. One would form
and cause a burning at the heart.
At last I was almost all in. After

taking one bottle of Nerv-Worth, I
felt a change and after taking the
second bottle, I can cheerfully say I feel
fine. As to my appetite, I am almost
ashamed to tell, but in fact I can eat
anything and everything. I am no
longer bothered with bloating of the
heart. I am thankful for Nerv-Worth
for the benefits I have received from
it."

Rev. John T. Hitchman, Salem, W. Va.
"I take pleasure in saying that as a
general tonic, Nerv-Worth is the best
I have ever used. I now sleep more
soundly, my appetite is better and my
stomach is in better condition than
for years before. No one needing a
tonic should fail to give Nerv-Worth
an honest trial."

Rev. Mr. Jenkins, Cumberland, Md.
"I have used Nerv-Worth in my fam-
ily with the result that I am willing
to give this testimonial, believing it
will help the suffering wherever it is
possible for Nerv-Worth to reach the
case," said Rev. Jenkins. "I am doing
this for the good of others, and in giv-
ing this testimonial to the effective-
ness of Nerv-Worth, I have not been
influenced by any argument for Nerv-
Worth doing what it claims. I am, in
truth, as far as I can discern, speaking
of the properties of Nerv-Worth."

Nerv-Worth does not contain any
artificial or alcoholic stimulation. It
deceives the user. It acts in a sensible
way through real medicinal value to
give the desired results. Nothing could
be more convincing than the letters
from the ministers above. If you suf-
fer, try Nerv-Worth. Give it a trial,
and you will find that it will give you
results. It is sold on a money-back
guarantee. Buy one bottle, use it ac-
cording to directions, and if you do
not feel that it is helping you, do not
buy a second bottle, but ask for your
money back.

Sold on a money back guarantee by
the Connelville Drug Co. and all
leading druggists everywhere.—Adv.

ONE KILLED; 50 HURT

Fatalities Result from Electricians'
Strike in Chicago.

By Associated Press.

CHICAGO, July 15.—A 14-year-old
girl was killed and probably 50 per-
sons injured in today's automobile ac-
cidents resulting from congestion
caused by an unexpected strike of 132
street car electricians which seriously
crippled the transportation lines of
the city. The girl was killed when a
motor truck carrying 10 persons to
work crashed into a trolley pole.
Union officials said the strike would
affect 3,000 workers but the company
maintained it could continue partial
service through non-union labor.

Will Ask Mandamus.

DETROIT, July 15.—A writ of
mandamus ordering the secretary of
state to place on the ballot for the
coming election the proposed constitu-
tional amendment calling for abolition
of private and parochial schools in
Michigan, will be asked by the state
supreme court, James Hamilton, head
of the Wayne County Civic League an-
nounced today.

FEATURE GAME OF ENTIRE
SEASON IS SCHEDULED FOR
TOMORROW—HOMESTEAD

Independents Will Present the
Strongest Line-up Possible
When They Go on Field.

GRAYS HAVE REAL RECORD

The cards read: The Season's Feature. This title is appended to the biggest and most attractive baseball game ever arranged to be played in this city. The game features the famous Homestead Grays and the local Independents, in truth a remarkable offering. The game will test the mettle of the local toasters to the fullest extent, as the Independents have been going at a fast clip. Local fans, it appears, are under the impression that the teams defeated by the locals were nothing more than "set ups." This is doing the locals an injustice. The teams they have wins over are the pick of the different sections where they hailed from. Take for instance the game with the Turtle Creek Athletics. "Curry," who played first base for the visitors, was none other than Alvin, who was with the Pittsburgh Pirates for a short spell this season.

"Realizing that the Independents are no mean opponents, Advance Agent Pusey of the Grays has been here for the past few days for two reasons: first to get a line on the local players and to get familiar with Favorite Field. Incidentally Pusey has made such a vigorous kick about the field that it is being entirely rebuilt for Saturday's battle. In closing the final details for the game, the Grays' agent insisted upon two umpires officiating, one for Connellsville and one to be supplied by the Grays. This arrangement was suitable to the local club.

The Grays are under the management of Aaron Russell and Charlie Walker. This year has been the victors' greatest season. They took only the strongest attractions in the Tri-State section and are always a great drawing card. The roster of the team includes Jessop, captain who plays left field, a heady leader and knows and plays the game as it should be played. "Lottis" Walker, at short, is a sensation with a very accurate arm and a heavy club. He hails from Whitesburg high school. "Charles" Harris at first base is one of the mainstays of the team, fighting every inch of the way. He hails from Chicago. Oscar Owens, right fielder, is batting in the clean-up position. On account of his stick work he is known as "Canon Ball." He is also one of the team's pitchers starting the season with the A. B. C. team of Indianapolis, the leading colored team of the United States. Better inducements offered him he joined the Carnegie Steel league. Jap Washington is a Connellsville product. He is putting up a great game in center field and is leading the team in home runs.

Raymond "Doc" Harris at second is known as "Old Reliable." He never fails to deliver in a pinch. He is just a youngster, but he bears watching all the time. "Pawson," at third is none other than the player that spilled the beans for the locals when they were defeated by the Munkall Firemen, by a clean over the fence. He is subbing for Campbell, who is injured. Pace or Young will be behind the bat with the big mitt. Both are full of pep. Pace hails from Homestead while Young is a Lincoln college product. The pivot of the visitors' game will center on the pitching department. "Lefty" Williams will undoubtedly be the selection, as the Grays work their pitchers in regular turns. Should Young oppose the locals he will be the first south paw they have faced. Coleman, another pitcher who will hold down the bench, can hold his own with the best in the country. He has defeated such teams as the strong Castle Corps of New Castle, Ambridge Steel and Weirton Steel. Coleman comes from Pittsburgh, D. C. The Grays' extra man is none other than "Bud" Brown considered without an equal in the outer garden. "Bud" is also a very good boxer. This is the Brown whom Billy Carter defeated last year on the West Side in four rounds.

As strong as the Grays appear to be one thing can be truthfully said about the Independents. They will have a team on the field that will give the visitors the game of the season. Here-

rod will be one of the pitchers for the game the locals having fortified themselves with another twirler who takes on a par with the best of them. If Fayette Field isn't packed tomorrow with the largest crowd of fans that ever witnessed a game there the Independents will have good cause to look up the gate for the season. Promptly at 3:30 the "umps" will about "Play ball!"

CHIRPS

Smiley is hero in Trotter today.

The leisenringing fans are all wrought up. They claim Trotter loaded up. Trotter claims Leisenring used some "rings" in the first game.

Dutch Bottom plays at Owensdale Monday night. The Association team wants a game with the South Side Independents.

The real content will be the third engagement between Trotter and Leisenring. Each team has now won one.

Whitney will play a picked up baseball team from the southern end at the Frick Veterans' picnic at Oakford park on July 22. The pick-ups will include players from Trotter, Leisenring No. 1, Leisenring No. 2, Smoak and other places.

At last we may have an opportunity to see Herrod, the Cokers' popular moundman, extend himself. This has hardly been necessary throughout any game so far this season.

If Connellsville fans would support a team as those in the coke towns do there would never be any reason for thoughts of closing the season. Practically 3,000 persons witnessed the Trotter Leisenring game last night.

As a last reminder—don't forget you are going to that game at Fayette Field tomorrow. If you don't Mr. Fan, you will miss the finest exhibition in this region in years.

It surprises certain users of small cars to find that they can obtain Goodyear Tires at a first cost ordinarily not greater, and sometimes less, than that of other tires.

This initial value, as well as the very low final cost, results from the application of Goodyear experience and care to their manufacture in the world's largest tire factory devoted to 30x3, 30x3½ and 31x4-inch sizes.

Such facts explain why more cars, using these sizes, were factory-equipped last year with Goodyear Tires than with any other kind.

TROTTER TAKES SECOND GAME OF SERIES FROM LEISENRING NO. 1, 3-2

Smiley Plays Bang-up Game and is Responsible in Large Measure for Victory.

Through the greatest clutch of one Smiley in the final game of the game yesterday afternoon at Leisenring No. 1 Trotter got sweet revenge over the team of that place in the second game of the series of three these teams are playing. With the score tied 2-2 up to the ending of the eighth stanza Trotter came to bat to get the much needed one run across. E. Frazier up field out to Lupton. Smiley changed a whole of a hit two bager for a grounded out to Riley. Smiley's strike third. A Frazier who was there to do it and was in the right of the course of Devin passing on which Smiley beat out to the pan getting the much needed run.

Rush settled down to keep the game on ice for Trotter (smiling). Pike Henry (smiling) died out to F. Frazier. Riley came out to spill the beans by getting a two sacker, but when Devin sent a fly one down inside the first base line which looked like a sure hit "Riley" pulled the nearest and stopped the fly and going down with the ball with one of the prettiest catches seen in a long time.

The playing of Smiley was the outstanding feature of the game. Frazier and Devin pitched a wonderful game of ball for No. 1 allowing but five hits. The game was one of the best ever played in the coke region and fully 3,000 people were in attendance. The

COKE TRADE SUMMARY.

Although the production of coke fell behind approximately 16,000 tons during Independence Day week the record was easily better than that of many preceding years. Both in the percentage and the total amount lost. This year the decrease was only about nine per cent. At other similar periods it has ranged all the way from 10 to 30 per cent, or 20,000 to 30,000 tons. That it did not drop so low last week was in the main due to the fact that the reaction made better average than in the days before. Some plants, of course, did not run full five days, many only three or four, and some less, but on the whole they made a better day to day showing than was expected.

SIX MONTHS OR YEAR BEFORE RAILROADS CAN BE EQUIPPED

As well as they were at the beginning of Federal Control, 50,000 cars were in service. Daniel Willard, president of the Baltimore & Ohio railroad, in a recent statement before the Interstate Commerce Commission, said that notwithstanding every effort that can be made it will probably be six months or a year before it will be possible to get the present equipment of the railroads in as good and serviceable condition as it was at the beginning of Federal control or as it ought to be under existing circumstances.

He said that when the government took over the railroads on January 1, 1918, there were owned approximately 2,250,000 freight cars, of which 57 per cent were reported in bad order and unfit for service. During the two years and two months of Federal control, the government purchased 100,000 freight cars. This was less than the railroads were in the habit of purchasing each year.

THE INSTRUMENT OF QUALITY

Sonora

CLEAR AS A BELL

Fifteen decisive reasons why your choice should be the Sonora.
The Highest Class Talking Machine in the World.

- (1) **TONE QUALITY**—At the Panama Pacific International Exposition, SONORA, in competition with the world's foremost phonographs, won the highest score for tone quality.
- (2) **SOUND AMPLIFIER**—Made of wood throughout, built on patented scientific principles, this forms one of the main contributing features for Sonora's tone superiority.
- (3) **UNIVERSALITY**—Sonora is designed primarily to play all makes of disc records perfectly when played with a Semi-Permanent Silvered, Steel, Diamond, or Sapphire Needle, and needs no extra attachments or changing of tubes.
- (4) **CABINET WORK AND DESIGNS**—The beauty of the Sonora tone has a charming echo in the splendid design and the high grade finish and treatment of the cabinet work.
- (5) **SOUND BOX**—Because so much care is taken in the selection of the materials used in the construction of the Sonora Sound Box, and because exclusive features of construction are employed, the results are of great importance in securing the rich and distinctive Sonora tone.
- (6) **TONE MODIFIER**—The Sonora modifies its tone at the throat of the amplifier, not at the exit, and consequently the effect produced is a perfect modulation of volume and not a muffling or impairing of tone clarity.
- (7) **MOTORS**—Sonora takes pride in being a leader in motor construction, both from the standpoint of durability and a running time. Sonora motors run from fifteen to forty-five minutes with no winding, and are built to last a lifetime.
- (8) **AUTOMATIC STOP**—This is thoroughly reliable yet exceedingly simple in its operation, requiring but one adjustment.
- (9) **ALL WOODEN TONE PASSAGE**—This is a feature which is exclusively Sonora's, and adds the final element to perfect the reproduction, producing a result which is really unbelievable until the Sonora, built with this equipment, is heard.
- (10) **ENVELOPE FILING SYSTEM**—This is of ideal simplicity and convenience, and permits the quick location of any record desired.
- (11) **MOTOR METER**—The "De Luxe Models" are all equipped with this valuable device which indicates at all times the number of records the motor will play before re-winding is necessary.
- (12) **EXTERIOR TRIMMINGS**—The trimmings of the Sonora are quiet and dignified in appearance but are extremely attractive, being entirely free from any gaudiness. This adds materially to the elegance of the design.
- (13) **CERTIFICATE OF GUARANTY**—A veritable insurance policy against defective materials, poor workmanship, etc., is the Guaranty which accompanies every Sonora.
- (14) **PATENT PROTECTION**—Sonora is one of the very few instruments operating under the basic patents of the phonograph industry. When you purchase a Sonora you are assured that the foundation and future of the manufacturer are secured.
- (15) **SEMI-PERMANENT SILVERED NEEDLE**—This remarkable improvement saves needle changing, is more economical, more convenient, and adds greatly to the life and enjoyment of the record.

Study these fifteen features individually and compare them, one by one, with those of other makes. You will be then fully convinced that the Sonora is the one instrument which you should choose. There is a keen pride of possession in owning the Sonora, which is "Clear as a Bell" and indisputably "The Highest Class Talking Machine in the World."

MUCH INTEREST BEING AROUSED OVER TENNIS TOURNAMENT TOMORROW

Tomorrow will be the big day for tennis fans of Connellsville who are preparing to see the clash between Connellsville and Uniontown on the local association courts on the South Side. The tournament tomorrow will be the third of a series being played between Uniontown and this city, the last one having been played at the country club.

Brown will be the star for Connellsville in the singles, having defeated Uniontown's best, "Dutch" Snyder and Smith Semans in both tournaments. The odds are about even on both sides and the sets have not been won by over two games so far.

In the doubles Connellsville has son, Brickman, and Tinsinger will be outmatched both times though not without a stiff resistance and a long struggle. It is believed by local fans who have been watching the practice on the South Side courts that Uniontown will be "taken over" this time.

In the singles Wright, Randolph, Brickman and Sheets will respectively oppose Huran, Semans, Level, and Newhall.

In the doubles Randolph and Carr Sheets will play Newhall and John Snyder. The courts have been put in fine condition and unless a rain sets in before the game they will be the scene of some fast playing.

A large number of local people witnessed the last tournament on the association courts and seats have been reserved for tomorrow's game also.

CHAPTER VI:

When I said good-night to Mr. Sidney and Jed I did not go to my room. A little alcoholic stimulant to one not accustomed to it will break down routine.

I went to this library to select a book and take it to my room. The fire in the library was burning cheerfully. The wind had a cool sweep at the windows. To a slightly exhilarated perception the circumstances were alluringly comfortable.

I found a good book, but lost the inclination to go to my room. I sat down in a comfortable chair, having turned off all the lights except that of the reading lamp. The library was large, and when the reading lamp alone was lighted there were deep shadows and the room was largely in darkness.

I read for a while and then fell asleep. I had no intention of doing that, but drowsiness came irresistibly and I was gone before I could force myself to go to bed.

It was two o'clock when I awoke. The wind had died down. I felt restless and uneasy, not being accustomed to falling asleep in this fashion. The sensation of waking up and having perceptions struggle to establish not only location but identity was unpleasant.

I started then for bed but stopped at the main door of the house on my way. I went to look to the far left and found that Jed, whose duty it was to close the house, had forgotten to lock and bar the door.

It was this incident of seeing the door hanging down and of going to the door that suggested a cure for my unpleasant restlessness after the nap in the library. I opened the door and went outside for a walk.

The moon in its last quarter was rising in a cloud-filled sky. There was light one instant and then dark. I expected the dogs to join me, but none came.

A challenge arose within me—so go down by the way toward the haunted pool. It was the mental image of a suggested cowardice. I thought of the place and of all I had been told of it; and the instinctive apprehension, perceptible as I stood on the steps to the entrance, provoked the challenge.

It seemed imperative. It would have been a moral retreat to go back into the house, as would have been sensible, but the door had to be closed. That seemed like backing down in the face of an inviting danger. Those challenges are inconsequential, but they seem important to character.

I did not have the real moral courage, which was to turn my back on the temptation and go indoors. I went down the steps to prove to myself my confidence in myself—thereby disproving it.

As I neared the pool, the moon went behind a cloud. I came to a clump of bushes. The moon came from behind its cover. There was a gentle flood of returning light. I was in, or rather behind, a screen of trees and brush. The pool was fifty feet away.

At the edge of the pool a man was

At the Edge of the Pool a Man Was Revealed in the Moonlight.

Revealed in the moonlight. He leaned on a stick.

The moon went behind another cloud, and the figure on the bank became indistinct. I almost disappeared. I stood still, with apprehensive shoulders working up and down my spine. The phenomenon was outrageous and unbelievable. The moonlight flashed out again for an instant. I saw the figure again but perceived or tried to persuade myself that I did not see it. I lay to myself that it was a bush twisted into extraneous shape by my imagination.

The moon went under a great dark cloud. I made a moral and physical retreat. I did not run. That would have been an honest confession and expression of desire. I was hypocritical and walked, but my moral defeat was complete.

There was a man at the haunted pool. I had seen him and something had deterred me from speaking to him, finding out who he was or why he was there.

A really violent change came into our lives. A suggestion that Mr. Sidney go to the South for the winter was acted upon, and within a month I was separated from the place and people

so important in my affections. Doctor Brownell had been called to Hartley House by Mr. Sidney's disappearance. "What do you mean by that?" I asked.

"There is a plague of officiousness about here, or have been since you came," he said. "You locked the front door last night some time, didn't you?"

"I found it open this morning, and after I had walked about the grounds for a while I came in and threw the bolt," I told him.

He seemed unaccountably astonished, "I told him."

"You were abroad last night?" he exclaimed.

"You had locked me in, I know," I said. "—or thought you had. I found my door bolted when I went back to my room. I wasn't in it when you bolted it," I added. "I was asleep in the library. When I awakened I went outside for a moment. The door was unlocked. I bolted it when I came in."

"I was more disturbed and he showed it."

"Where did you go?" he asked. "I walked around," I said, "down by the river."

His discomposure became acute. He looked sick.

"Where were the dogs?" I asked. "I didn't see any."

"They were with me," he said. "I was out, and you looked me out. That's why I have been so indignant. I came back and found I had to break into the

house. I was in a hurry. You wouldn't have liked it yourself."

"I don't like it myself. I don't like being locked in my room. I'll not have it. I thought I had given you to understand that it would not be toler-

ated. I do not want to annoy the family by complaints, but I will not endure that."

"Well, you can see the occasion for it. You were loose last night, and your confidential attentiveness made trouble. I knew your type. The moment I got eyes on you, I said here's a trouble-making person with a duty. You show it. Of course, you had to bolt that door. You could not assume that it was open for a purpose. No thought of anybody that might be outside. I knew you. That's why we're safe only when you are locked in your room."

"Well, I'll not have it," I insisted, "and you can understand that. It is not. Why do you have to run around the grounds at night?"

"Do you have to be judge of my habits? If you do, it may satisfy you to know that I frequently have many duties to perform for Mr. Sidney in the night. I frequently drink too much wine. I frequently walk around the grounds to clear my head and be able to do what is needed by Mr. Sidney."

My mind had jumped to a conclusion. "Were you at the pool last night?" I asked.

"Yes," he said. "He was very busy."

"You seem to be a Paul Pry," he said. "You ought to be unannounced."

To Aid Salvation Army.

A meeting was held last evening of
the committee in charge of the Salva-
tion Army drive. Frank E. Newington
is general chairman of the cam-
paign. Clyde Miller, vice chairman,
and Harold Andrews, secretary. This
committee will take care of the money
for the drive that comes through the
American Legion. The local boys ex-
pect to have little trouble in reaching
the Scottdale quota. They will be
backed by a citizens committee of in-
dustrial business men.

FRECKLES

Now is the Time to Get Rid of These
Ugly Spots.

There's no longer the slightest need
of feeling ashamed of your freckles,
as Othine—double strength—is guar-
anteed to remove these homely spots.
Simply get an ounce of Othine—
double strength—from any druggist
and apply a little of it night and
morning and you should soon see that
even the worst freckles have begun to
disappear, while the lighter ones have
vanished entirely. It is seldom that
more than an ounce is needed to com-
pletely clear the skin and gain a beau-
tiful clear complexion.

Be sure to ask for the double
strength Othine as this is sold under
guarantee of money back if it fails to
remove freckles.—Adv.

HOME MADE RECIPE CATARRH AND COLDS

Nonexpensive—Cut This Out.

Thousands are making this ho-
me-made remedy at home and any-
one who has catarrh or a cold can
do the same.

Ask your druggist for three
quarters of an ounce of Menthol-
ated Aroclor and pour it into a
pink bottle. Then fill the bottle
with water that has been boiled.

Gargle the throat as directed
and sniff or spray the liquid into
the nostrils twice daily. It's a
simple way to get rid of cold and
catarrh and keeps the nasal pas-
sage and throat so clean and
healthy that germs of flu or any
other germ will have a hard time
gaining a foothold.

WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL
HEALTH BY BIO-FEREN

"I feel I owe you people a world
of gratitude for the benefit I have
received in using your wonderful
remedy—Bio-Feren Tablets, which
have completely restored me to
normal conditions," says Joseph
E. W. of Muncie, Indiana.

Bio-Feren is without doubt the
greatest and quickest remedy for
nervous, run down, weak, anemic
men and women ever offered di-
rect through the druggists and is
not at all expensive.

Take two after each meal and
one at bed time, and after seven
days take one after each meal and
one at bed time until the supply
is exhausted.

Then if you feel that any chaim
made in this special notice is un-
true—if you are not in better
health—if you do not feel ambi-
tious, more vigorous and keen
minded, yes, twice as much as you
did before, the druggist who sold
you the tablets will gladly hand
you back just what you paid for
them.

All druggists in this city and
vicinity have a supply on hand, or
can easily get it for you.

Seven a day for seven days—
Wonderful results.
